DAN MORALES  
ATTORNEY GENERAL

Mr. Claud H. Drinnen  
Assistant City Attorney  
P.O. Box 1971  
Amarillo, Texas 79105-1971

OR96-2086

Dear Mr. Drinnen:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 102002.

The Amarillo Police Department (the "department") received a request for Report Number 96-73654. You claim that the requested information is excepted from required public disclosure by sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and have reviewed documents at issue.<sup>1</sup>

Section 552.108 excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime," and "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution." Gov't Code § 552.108; *see Holmes v. Morales*, 924 S.W.2d 920 (Tex. 1996). We note, however, that information normally found on the front page of an offense report is generally considered public. *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976); Open Records Decision No. 127 (1976). Thus, you must release the type of information that is considered to be front page offense report information, even if this information is not actually located on the front page of the offense report. *See Houston Chronicle*, 531 S.W.2d at 187; *cf.* Open Records Decision No. 597 (1991) (basic information in an offense report generally may not be withheld under section 552.103); *see also* Open Records Decision No. 127 (1976) (summarizing the types of information deemed public by *Houston Chronicle*). The requested information at issue deals with the detection,

<sup>1</sup>In reaching our conclusion here, we assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988); 497 (1988). This open records letter does not reach and, therefore, does not authorize the withholding of any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

investigation, or prosecution of crime. We therefore conclude that, except for front page offense report information, section 552.108 of the Government Code excepts the requested records from required public disclosure, although you may choose to release all or part of the information at issue that is not otherwise confidential by law. Gov't Code § 552.007.<sup>2</sup>

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you questions about this ruling, please contact our office.

Yours very truly,

Don Ballard  
Assistant Attorney General  
Open Records Division
